- 18. Tiger global Management, Accel, Sequoia Capital
- 19. Lack of business environment, government interference to filtering and internet outages. Lack of capital and migration of human resources are other reasons. Also, the path to stock exchange as one of the important sources of funding for startups is still closed to businesses such as DigiKala, Snap, Bazaar, etc., and it has become an obstacle for the growth of these businesses.

20.

- The important one, not being skilled with the data analysis software like Rapid Miner. But I worked hard and I could figure it out.
- The data in Select Investors part weren't clean and separated, I managed that but it took time.
- What some questions wanted, couldn't found directly from the data, I had to completely change it. And in some of them I couldn't change correctly.
